Mr. Sanford Phillips
Assistant Secretary
Office of Environmental Services
Louisiana Department of Environmental Quality
602 North 5th Street
Baton Rouge, LA 70821-5312

Dear Mr. Phillips:

The Environmental Protection Agency is submitting a signed copy of the final major modification of LPDES/NPDES permit no. LA0049492 for LOOP, LLC. This permit is jointly issued by EPA and the Louisiana Department of Environmental Quality (LDEQ), therefore requires signatures of both agencies. EPA has verified that only portions of the permit within the jurisdiction of the LDEQ have been modified. Additionally, EPA conducted an oversight review of the preliminary draft permit modification by the LDEQ and submitted a letter of no objection to the LDEQ on November 21, 2011.

If you have any questions, please contact Joshua Waldmeier at (214) 665-8064. Thank you for your assistance and cooperation.

Sincerely yours,
